

## What is Bug Club?

Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them.

## Using the printed books

Inside every printed book there are notes to help you make the most of reading with your child.

**Inside front cover:** for younger children, these notes identify words with which children may need help and give ideas and strategies to help you feel confident that you know how best to help. For older children, the notes are intended to deepen each child's understanding of the book. They provide background information about the time or place the book was written or sometimes information about the author or illustrator.

**Inside back cover:** these notes suggest puzzles and challenges that help children think about their reading. These include 'Find it!' activities that encourage children to revisit the text; 'Share it!' tasks that may involve making or writing something, and other ideas that offer ideas for further reading.

## Getting involved

### The reader

Until they are fluent readers, younger children will benefit from reading aloud to you as often as possible. By the time they are in Years 5 or 6, many children prefer to read silently to themselves. Create quiet opportunities for them to do so, but then talk to them about the book they are reading.

### Sharing reading

When sharing a book with your child, try to take opportunities to talk about the book - before, during and after reading.

**Before reading:** look at the book cover and talk about your child's expectations. Is the book likely to be fiction or non-fiction? Have you read other books together about these characters or by this author? What does your child think the book is going to be about?

**While reading:** support your child when unknown words need tackling: you can sound them out, split them into syllables, or identify suffixes and prefixes. Remind your child to listen to the words while reading them, to make sure that they make sense. Have a 'meaning check' every now and again to ensure that your child understands the text.

**After reading:** talk about the book. What was it about? Did it match your child's expectations? Ask questions beginning with the words *how* and *why* to check that your child has been able to read between the lines. Ask whether anything seemed puzzling. Then ask your child to explain what the best and worst bits of the book were, and why.
